By combining decades of industry expertise and leadership with the most powerful technologies, we accelerate our customers' advances in IOT, AI, Cognitive Services, Analytics, Integration, and Sales, Marketing, & Service enablement.

The cornerstone of our new headquarters will be the eLogic MEC (Manufacturers Experience Center), where we are incorporating a hands-on experience center to display the solutions and outcomes we enable for our customers. We have partnered with local manufacturing customers to incorporate their equipment, and we will connect our technology solutions so visitors see the impact and attainability of making an equivalent digital transformation. eLogic is also a premier partner with Microsoft, and have been recognized as their Manufacturing Partner of the Year in 2015, U.S. Partner of the Year in 2016, and just named the Field Service Partner of the year for the U.S for 2018. eLogic and Microsoft are working in partnership to build a workforce that can implement these technologies, and drive the future of manufacturing. Microsoft empowers us with extensive readiness, enablement, and education resources to achieve this end, and the Riverwood campus will be a pivotal element to our program.
